Premises and Resources Committee Terms of Reference

Membership

The first Governing Body meeting of the school year will appoint the members of each committee. All governors are welcome to attend any meeting of the Premises & Resources (P&R) Committee and will be free to speak on any item under discussion, but not to vote in the event of any matter being decided by vote. Other people e.g. school staff, may be invited to attend meetings of the Committee, particularly when they have responsibility for items under discussion, but they are counted as "in attendance" only and are not members of the Committee i.e. they can debate an issue but they are not permitted to vote.

Officers

The Chair(s) of the Committee will be appointed at the first Premises & Resources Committee meeting of the academic year and the appointment will be ratified at the next Full Governing Body meeting. If the Chair of the Committee is absent from a meeting, then a Chair will be appointed for the duration of that meeting. The Clerk to the Governing Body will normally take minutes of the Committee meetings; if the Clerk is absent, then another Governor or staff member present at the meeting will be appointed to take minutes.

Quorum

Three members, to include at least one of Chair or Vice-Chair of Governors, Chair of Premises & Resources Committee, or Headteacher.

Meetings

The Premises & Resources Committee shall meet at least once per half-term, usually in advance of the Full Governing Body meeting. Where necessary, due to the limitations imposed by the Covid-19 pandemic, meetings will be held virtually. Minutes shall be taken at every meeting of the Committee. The minutes of the previous meeting shall be distributed with each agenda, and, if agreed as a correct record, signed by the Chair of the Committee, or in the case of virtual meetings, as soon as is practically possible.

Accountability and reporting

The Premises and Resources Committee is accountable to the Full Governing Body and reports on a half termly basis.

Committee effectiveness

An annual self-evaluation is carried out by the Full Governing Body of the work of the Governing Body and its committees.

Review of Terms of Reference

The Terms of Reference of the Premises & Resources Committee shall be reviewed annually by the Committee at the first meeting of the academic year, with any recommendations sent to the next available Governing Body meeting for ratification.
